### PROFESSIONAL EXPERIENCE

**Director of the Undergraduate Program in Economics** Pontificia Universidad Javeriana (since 2006)

Responsibilities: to administer the curriculum of the Economics Program, to decide the admission of students, to direct the institutional promotion of the Program, to be the students academic adviser and to direct the organization and academic events about economics in the Faculty.

**Professor of the Department of Economics** Pontificia Universidad Javeriana (since 2003)

Responsibilities: to dictate the course Advanced Macroeconomics I (theory of consumption, theory of investment, economic growth theories and real business cycles), the course Principles of Economics and to prepare complementary material, weekly assignments and exams.

**Assistant Professor** Universidad de los Andes (07/2002 to 11/2003)

Responsibilities: to dictate the course Macroeconomics.

**Research Assistant of the Department of Economics** Pontificia Universidad Javeriana (2000 to 2003)

Responsibilities: I was the research assistant of the project Javelink (a macroeconomic model for Colombia). I built the database, ran the regression in SAS and collaborated in the writing of the reports sent to the Project LINK of the University of Toronto and the United Nations' Department of Economic and Social Affairs.
