International short courses

The international short courses are academic and cultural immersion programs, tailored according to the specific needs of the foreign partner Institutions.

The duration of the courses ranges between one and four weeks and they include academic and cultural activities, planned according to the requirements of each group.

Programs include academic and cultural activities, which helps to know about Colombia from an academic perspective developing a high quality academic program and fostering integration with Colombian students.
Immersion in the historic, political and economic context of Colombia

Students will be able to attend seminars where they will learn about history, politics and economy of Colombia. These seminars can be delivered in Spanish or English. Besides there are cultural activities and field trips according to the interests of each group.

Immersion in Spanish

Students can participate in an intensive immersion course for Spanish as a foreign language. These courses are created based on the specific language needs of the students. The classes are complemented with audiovisual material, multimedia technology and cultural field trips.

Academic Immersion in research projects and social work

Universidad Javeriana offers the possibility to participate in workshops and seminars framed under the various academic activities developed by the Faculties of the University, including research projects and social work with communities.

These projects comprise two main components: collaboration with the different Faculties of the University based on the papers and investigations carried out and, learning projects through social work with the different communities.

These projects are developed with an international perspective, taking into account the collaborative work with the communities. Students use the tools of the disciplines learnt in class and apply them in a real context through a community service program.
Cultural activities

The students will also have the possibility to know the history and culture of Colombia by participating in activities inside and outside the university campus. These are some of the activities offered.

Colombian typical evening

Students will be able to see and learn about the various cultures, dances and costumes from the different regions of Colombia and their wide diversity. In addition, students have the chance to participate in a dance class where they will be able to learn the main rhythms of the Colombian culture.

Trip to La Candelaria

La Candelaria is one of the major historical centers in Latin America. It preserves the colonial buildings of Bogota, the Primary Cathedral and the Presidential Palace; also the Colón Theater, the 20 de Julio Museum, the Ministry of Foreign Affairs building, among others.

Trip to Monserrate

Located at 3,152 meters above sea level, its peak houses the Sanctuary of the Fallen Lord. It is surrounded by well-covered beautiful vegetation and from its top you can view the best landscape of the savanna of Bogota. Monserrate can be reached by Cable Car or Funicular Railway. Its two restaurants (San Isidro and Santa Clara) offer Colombian and international food.
